Publication of GP Net Earnings

"All GP practices are required to declare the mean earnings (eg average pay) for GPs working to deliver NHS services to patients at each practice.

The average pay for GPs working in Lockfield Surgery in the last financial year was £75,154 before tax and National Insurance. This is for 3 full time GPs, 3 part time GP and 5 locum GPs who worked in the practice for more than six months."

If patients do not have internet access and ask to see this information, it is to be provided either in paper copy, on a poster or by showing the patient the information posted on the practice website.
